**STIPULATION AND ~~PROPOSED~~
 ORDER EXTENDING ADR DEADLINE**

18
 19
 20 The current deadline to complete the Early Neutral Evaluation in this case is on
 21 April 4, 2007. The parties are still conducting initial discovery, including obtaining copies of the
 22 medical records related to the decedent, Mark Johnson, from third parties. Both Plaintiffs and
 23 Defendant agree that the Early Neutral Evaluation will be more productive after the parties have
 24 had the opportunity to review the preliminary documents in this case, including decedent's
 25 medical records.
 26

27 On March 14, 2007, the parties participated in an initial call with Mr. Robert Luft,
 28 the Court-appointed Neutral. Mr. Luft stated that he agreed with the parties' proposal to extend

1 the deadline to complete the ENE by two months in order to gather the information and
2 documents necessary to make the ENE more productive.

3
4 For these reasons, the parties jointly request that this Court extend the deadline to
5 complete the Early Neutral Evaluation by sixty days to June 4, 2007.

7 DATED: March 14, 2007.
